This year's Halloween party at the Inn was "howled" as a success!

The community enjoys getting dressed up in costumes and having a good time. Costumes included The Madoff's, cowboys, pirates, witches, and ghouls. Thanks goes out to Lucia and Joanna for decorating the Inn. The Inn served a buffet with Halloween colored items including deviled eggs that looked like eyes! Yum!

Website News.

A new feature for the website will be a "Service Directory Page". This page will list services that Arrowhead property owners may need. These ads will be linked to the Service providers website for ease of access to their information. Keep your eye out for this upcoming new feature on the website.

Photos of volunteers that worked on the Willow Park Trail. They worked tirelessly to accomplish the goal set before them. Many happy faces here. Thank you to ALL the volunteers that helped.

October 31st. These elk were basking in the sun at the top of the mountain near the Alpine road. Beautiful how their colors blend with the ground cover. This was taken with my 300 mm Nikon lens. Thank you Rich Ostrom for suggesting this lens for last year's Christmas present from the hubby! Now what do you suggest for this year?

JR Ellis's Snow Report:

1st snow fall of this season was on September 21st (1/2")
October 25th (4"), October 27th (4 1/2"), October 28th (5"),
and October 29th (4")

Total snowfall so far is 25 inches.

We are having a warm week which will cause more melting and cold nights that cause ice-y conditions to walk on. Watch your step.

CSA has just set up a new website using ClubExpress, a new and powerful Internet tool for managing clubs and associations. The new website will contain the things you all are used to like a calendar of events, trail reports, a classified ads section, and timely news reports about snowmobiling. One of the new features offered by ClubExpress is an online membership database which includes all your contact and renewal information.

Your membership information has already been loaded in this database and an account has been created for you. To access the association's website and your account go to www.snowmobilecolo.com.
