

Mountain Living Update

April 25, 2010

The Roads are open at Arrowhead but on April 23rd we received 4 or 5 inches of new snow. So things are still wet and messy! If you are thinking about bringing an RV up please check out your camping spot to see how saturated the soil is before you bring it up. **Happy Spring!**

Recognize this shot at the mailboxes? The photos on this page were taken April 24th.

The Alpine Road and Blue Creek.

The new Spring snow covered up the red tinted snow we had from sand storms blowing in from the 4-corner states.

The road just before Arrowhead Ranch Reality.

April's Book Club luncheon and meeting was held in the home of Sharon Pugh. The club read the book, "The Guernsey Literary and Potato Peel Pie Society by Mary Ann Shaffer and Annie Barrows. It is the story of Guernsey, the British island once occupied by Nazis in 1946. The book is a series of letters. Sharon made a potato peel pie and other depression type food for the ladies to sample. There was a good turn out for the "Spring meeting" and 2 new members joined us, Linda Dysart and Becky Stilley.

Enjoying lunch, book club and friendship in Sharon's beautiful log home.

The Snowmobile Club held their last meeting of the season on April 19th. The new officers consist of Eric Johnson "The Pres.", Sally Burrichter Vice President, Kathy Koeltzow Secretary, and Pat Ostrom Treasurer. Many thanks go to the out-going officers; Lucia Le-Bon and Star Misner. See you all next winter!

For all you people off the mountain right now, traveling and visiting new places we welcome you back soon. Arrowhead is looking forward to another wonderful summer.
